

# Adventure Rafting

## Day Trip (8hrs)

*Experience the dynamic waters of Canada’s legendary Ottawa River in a guided raft. Get your feet wet as you splash and roll through one of the world’s great whitewater routes. OWL is a three-generation family-run resort, renowned for its attention to detail, exceptional service, and locally-sourced cuisine. This will provide you with the ultimate ‘Canadian’ experience.*

### ITINERARY:

Arrive and sign in at the OWL Rafting front desk. Join others for your trip briefing, gear up, and climb aboard the OWL bus for a short transfer to the ‘put-in’, the start of your river day.

Here you meet your guide who will have you practice your strokes to prepare for the rapids ahead. Your experienced and passionate guide controls the raft at the stern, paddling as a team, getting totally wet, laughing and making new friends in the middle of “no-where”. Descend 12kms of warm water and a big volume natural roller-coaster. Each rapid on the Ottawa is followed by a ‘pool’, giving you time to relax and prepare for the next one. We stop for a snack and maybe some cliff-jumping, body-surfing, float and perhaps see an osprey or beaver.

Before you know it, you meet the Pontoon boat, where you’ll climb aboard for a hearty hot barbequed meal on the return cruise to the resort. Rafter wrap-up has you relive your day’s adventure as you watch a short video of your own trip: a great souvenir to purchase. Before you depart, enjoy a sauna or a hot outdoor shower and play on our sandy beach – canoes, kayaks and stand-up paddleboards.
